

Free historical audit offer

If you have ten sites or fewer, please complete this form and send it to us by post or fax with your water bills. They will be examined by expert assessors and we will tell you if you have the potential for savings.

The minimum we need is one bill from each of your suppliers covering:

- Water
- Waste water
- Storm water drainage (SWD) if applicable

Ideally we would like all the bills for the last 12 months; if you can supply the last 36 months that is even better.

Title	First name		
Surname			
Company			
Position			
E-mail address			
Telephone number			
Industry type			
If you are a manufacturing industry, is water used in your processes?	Yes	No	

Please complete for each site:

Site name and town	Number of employees	Working hours	Facilities on site		
			Large humidifiers or cooling towers	Fire hose reels	Hot meal provision (canteen)

Fax to: **01243 787789**
 Post to: **Bill Validation Centre, Waterscan Ltd,
 Dominican House, St John's Street, Chichester, West Sussex, PO19 1TU**
